

"Brand New"

(Song No. 6 from the album "Fundanatural," by the Nick Holmes Band)
Music and lyrics (c) 2010 Nick Hewyn Holmes

Verse 1:

She makes me feel so good
When I am by her side
Just like your lover should
Its something you can't hide

Chorus:

She keeps me living with the loving that she gives me
When I am broken she come along and she fix me
She reaches down and takes the sadness from my soul
She makes me feel so good.
Brand New.

Verse 2:

She's got a big warm smile
That comes straight from her eyes
Turns a grown man to a child
It cuts the world down to size

Chorus:

Refrain:

She melts the coldness in my heart
Because she's so warm
When I am raging against the night
She keeps me calm
There's no-one else in the world who could cover me
With all the warmth of her body and soul
She makes me feel so good.
Brand New.

Verse 3:

She's got a big warm heart
And she's so , so kind
She's been with me from the start
But she took me years to find, to find.

Chorus:
