

"Here It Comes Again"
(Song No. 7 from the album "Fundanatural," by the Nick Holmes Band)
Music and lyrics (c) 2010 Nick Hewyn Holmes

Verse 1:

Here it comes again!
That life I love you feeling I'd forgotten feeling comes again
Here it comes again!
That Doobie Doobie runs all through me, feeling groovy feeling comes again

Chorus:

Life is a circle that ebbs and flows
Love is it's cycle and round it goes
Sometimes you're down and then up you go

Verse 2:

Here It comes again
That pin up poster, make the most of, roller coaster feeling comes again
Here it comes again
That razzle-dazzle no way hassled life un-frazzled feeling comes again

Chorus:

Life is a circle that ebbs and flows
Love is it's cycle and round it goes
Sometimes you're down and then up you go

Verse 3: solo.

Chorus:

Life is a circle that ebbs and flows
Love is it's cycle and round it goes
Sometimes you're down and then up you go

And again and again and again and again and again and again...

And again and again and again and again and again and again...

And again and again and again and again and again and again...

And again and again and again and again and again and again...

Again! Again! Again! Again!
