

“Precious Moments.”

(Song No. 11 from the album Fundanatural,” by the Nick Holmes Band)

Music and Lyrics (c) 2010 Nick Hewyn Holmes.

Verse 1:

Well, there she is at last! She’s a vision in a blue dress.

Nå, der er hun endeligt. Hun er et syn i den blå kjole.

She’s walking down to him- He sees her smile

Hun går ned til ham - Han ser hende smile.

And now she’s running down to him Her dazzling smile of recognition

Og nu løber hun ned til ham Hendes blændende genkendelsens smil

Wipes away all fears - and any doubt.

Skubber væk alt frygt - og alt tvivl.

Chorus:

We left it so long but we will have these precious moments- here today

Vi ventede i så lang men vi har disse dyrbare øjeblikke – idag.

Thank God that we will have these precious moments –here today

Gudskelov at vi har disse dyrbare øjeblikke – idag.

Precious Moments –here today. On this day –On this day!

Dyrbare øjeblikke – her idag. På denne dag – på denne dag.

Verse 2:

They both smile the smile of smiles. Now that they've found each other

De smiler begge smilenes smil. Nu hvor de har fundet hinanden.

She drinks him with her eyes- he breathes her in

Hun drikker ham med øjnene – han ånder hende ind.

And their understanding here- Goes so much further than their words do

Og deres forståelse - er så meget mere end ord kan sige

This dragonfly of love, lives but one day.

Kærlighedens guldsmed lever kun en dag.

Chorus:

Verse 3:

So what will they do now Now that they've found each other

Så hvad gør de nu Nu hvor de har fundet hinanden

They both have their other lives- and their other loves

De har begge deres andre liv – og deres andre elskede

So with sad gladness in their eyes And loving understanding

Så med trist glæde i øjnene og kærlig forståelse

They will leave this buried treasure – left undone

efterlader de denne begravede skat - uåbnet

Chorus:
