

"Shine On"

(Song No. 4 from the album "Fundanatural," by the Nick Holmes Band)
Music and lyrics (c) 2010 Nick Hewyn Holmes

Verse 1:

Take good care of yourself	As you walk out that door
Don't turn around now	You deserve so much more
And Shine on!	And illuminate this world.

Chorus:

Shine your light in the places where the sad go
Shine your light and eliminate the shadows
Shine your light for the ones who cannot be brave ... - enough...

Verse 2:

So live your life in the light	Not in twilight and dark
For those that do	Become scarred with the marks
So shine on!	And illuminate this world

Chorus:

Shine your light in the places where the sad go
Shine your light and eliminate the shadows
Shine your light for the ones who cannot be brave
for the ones who cannot be brave
for the ones who cannot be brave ... - enough...

Refrain:

If Shadow people ever make you feel ashamed of your light
- and you find it grow dim
Re-inspire us - shine your light from within.

Verse 3:

So be an inspiration
and encourage us right
We'll reignite- turn the dark into light
We'll Shine on! And illuminate this world

Chorus:

We'll shine your light in the places where the sad go
We'll shine your light and eliminate the shadows
We will be the ones to be brave
We will be the ones to be brave
We will be the ones to be brave ... - enough...
