

"Thursday"

(Song No. 2 from the album "Fundanatural," by the Nick Holmes Band)
Music and lyrics (c) 2010 Nick Hewyn Holmes

Verse 1:

Party! Party! holiday!
If they find out they'll be hell to pay
Oh but nothing can compare
With the sweet sensation of a secret love affaire

Chorus:

Thursday, Thursday I love you
And I hope you feel the same way too
Thursday Thursday you're unique
Why can't it be Thursday Every day of the week?
I love my Thursday...

Verse 2:

Oh! I'm dancing on the spot
Wondering whether she'll be there or not?
And when I look into those eyes of hers
I can't help it I just go all absurd...

Chorus:

Thursday, Thursday I love you
And I hope you feel the same way too
Thursday Thursday you're unique
Why can't it be Thursday Every day of the week?
I love my Thursday...

Verse 3:

Oh! It's such a funny phrase
To say your heart's broken when it's only a graze,
Don't you know it's going to mend?
You're going to do exactly the same thing again and again...

Chorus:

Thursday, Thursday I love you
And I hope you feel the same way too
Thursday Thursday you're unique
Why can't it be Thursday Every day of the week?
I love my Thursday...
